If You Care about Health Care...

...you know that our health care system is beyond sick. It's in crisis. The policies of Ronald Reagan and George Bush have created the greatest inequities in health care this nation has ever known. Epidemics bred of poverty—AIDS, drugs, homelessness—are overwhelming hospitals and health care providers. If you know our system is sick, but you don't know what to do about it...

...you should be reading the Health/PAC Bulletin!

Yes, I want to become a member of the Health Policy Advisory Center and receive the Health/PAC Bulletin.
